

## Live 3D Events

### Now Announcing...

6<sup>th</sup> INTERNATIONAL  
CONGRESS ON  
3D DENTAL  
IMAGING

### Moving from 2D to 3D Treatment Planning

Continue your education, network with colleagues and attend several workshops, lectures and demonstrations on 3D imaging at one of our Annual Meetings.

#### What do we offer?

- A two day workshop, lectures and demonstrations of real 3D imaging applications in dentistry
- An excellent education opportunity on how to optimize your treatment using 3-D imaging
- Networking opportunities with clinicians from around the world
- A perfect place to meet other i-CAT users to talk about treatment planning and utilization possibilities
- 16 Continuing Education Credits
- Many industry leading speakers
- Socializing and networking events
- See the benefits of the i-CAT and i-CAT Precise first hand at this year's event

## 6<sup>th</sup> INTERNATIONAL CONGRESS ON 3D DENTAL IMAGING

### Moving from 2D to 3D Treatment Planning

Continue your education, network with colleagues and attend several workshops, lectures and demonstrations on 3D imaging at one of our Annual Meetings.

#### What do we offer?

- A two day workshop, lectures and demonstrations of real 3D imaging applications in dentistry
- An excellent education opportunity on how to optimize your treatment using 3-D imaging
- Networking opportunities with clinicians from around the world
- A perfect place to meet other i-CAT users to talk about treatment planning and utilization possibilities
- 16 Continuing Education Credits
- Many industry leading speakers
- Socializing and networking events
- See the benefits of the i-CAT and i-CAT Precise first hand at this year's event

#### This year's topics include:

- Where is 3D dentistry going?
- Three-dimensional orthodontics: applications and benefits of using 3-D imaging
- 3D imaging for sleep apnea, TMJ and airway evaluation
- 3D dentistry: Technology integration and future 3D applications
- Using cone beam 3D imaging in the office
- Featuring many real-life case examples: Before & after 3D
- Live 3D scans
- Successful reimbursement strategies for billing 3D scans
- Tips & tricks for improving your social media results
- 3D for periodontal applications
- Advances in Cone Beam 3D for Implants

#### October 25-27, 2012

Customer Users' Meeting - October 25, 2012

Inverness Hotel & Conference Center

Denver, CO
